PROFILE

A non stop learner that would like to improve and broaden my skill set through doing some new and difficult tasks. I enjoy working in teams but at the same time I am capable of handling tasks on my own. Highly enthusiasts in Blockchain, Web 3, NFTs, cryptocurrency and etc which can be the technology of the future.

EXPERIENCE

Blockchain and Cryptocurrency Club

APU Blockchain and Cryptocurrency Club (APUBCC), the first and ever Blockchain and Cryptocurrency Club in Malaysia university. APU BCC aims to be the leading blockchain club in Malaysia to spread blockchain knowledge among students.
